About Diagrama Adoption

Diagrama Adoption is an independent, voluntary adoption agency rated GOOD by Ofsted. Our team is dedicated to finding loving families who are able to offer a permanent home for children in need of adoption across London, Surrey, East and West Sussex, Kent and Hampshire.

Our agency is small enough to offer a personalised and friendly adoption experience while benefitting from the expertise and security that comes with being part of a larger, established charitable foundation.

We are fast establishing a reputation as a progressive, caring and child-focused agency, providing excellent support for adopters and children alike. We put children at the heart of everything we do and every decision we make.

We support adopters of all backgrounds regardless of faith, sexuality or ethnicity and we pride ourselves on offering a tailored service.

Diagrama Adoption focuses on finding new parents for harder to place children, those who have been waiting the longest, and have varying needs.

Our history

Diagrama Adoption was set up to ensure adopters who had been working with Cabrini Children's Society received continued support when the society ceased operation in 2014.

The service has since evolved and we have been busy integrating our own principles and approach to adoption to ensure that those we work with receive the highest possible standard of care, support and preparation throughout this life-changing journey.

About the role

Diagrama Adoption is a child-focused agency and reflective practice is built into our team, where creativity and innovative thinking are welcomed.

This is a great opportunity to use your skills and knowledge to make a real difference to the lives of the children and young people we work with.

A HCPC-registered social worker, you will support our service by ensuring your work is always delivered with the best interests of the children we support at the heart - in line with Diagrama's values and ethos and in compliance with legislation, regulation, national standards, guidance and best practice. You will join our growing team of 10 permanent social workers and:

- Be passionate about recruiting and assessing adopters, focusing on evidencing skills to support matching of children's needs including; diversity, abilities, love and understanding of trauma.
- Provide dedicated support to adopters though family finding, matching, panel, introductions and placement, including an out-of-hours service.

- Participate in planned meetings and reviews where children are placed prior to formal adoption.
- Work in partnership with local authorities and other agencies to ensure child-focus and safeguarding priorities
- Participate in training, family event days, support groups, recruitment events and celebration days.
- Due to the nature of this role you will be expected to work some weekends and evenings as necessary, as part of your working week, as well as participate in the team roster for out of hours telephone support.

Your qualities

You will be a resilient, experienced professional with a relentless focus on high quality experiences for families enabled by solid and dedicated social work.

You will bring passion, commitment and innovation that will support our service development to outstanding status.

You will have previous experience in adoption with an excellent track record of improving the lives of children.

You will be well organised and a skilled verbal and written communicator.

Diagrama leaders, managers and staff advocate well for children and young people within the network of professionals.
